You drive this.
You feel that.

Design and technology that lead the way. Sporty and pioneering. United in the new Audi A4 Sedan. See for yourself.
Progressive design – clear surfaces, sharp lines, distinctive style.

The powerful-looking front end, the three-dimensional Singleframe and the sporty, elegant design. The Audi A4 Sedan – exciting, inspiring, captivating.
Dynamic, precise, succinct. From the front end to the distinct diffuser with integrated tailpipes. Rounded off by LED rear lights with dynamic indicators in a progressive design.
A sedan with a new design language. Emphatically sporty. Strikingly staged. By the straight roof line and the crisp, all-round shoulder line with a gently tapering shadow edge.
Lights on.
Night off.
Audi LED headlights – see and be seen.

A shining example of progressiveness: the crystal-like light from the LED headlights casts a bright, uniform light across the road.
Roaring engine.
New TFSI® and TDI® engines – breathtaking performance, lower fuel consumption.

There’s only one principle for the 1.4 TFSI and 2.0 TDI engines: provide powerful performance together with reduced emissions. Experience driving dynamics and efficiency that’s without compromise.
Virtual cockpit.
Focus on the future of mobility with the optional Audi virtual cockpit. Fully digital instrument cluster with high-resolution 12.3-inch colour display. A high level of function and design. Few buttons, many functions. Experience infotainment on a grand scale. Right here in your Audi A4.
MMI and Audi smartphone interface – your personal data environment integrated and intuitively controlled.

Everything under control. Driver-oriented and tailored to you. The familiar world of your smartphone with the optional Audi smartphone interface. Presented on the high-resolution MMI display. In brilliant colour.
In interior design – innovative architecture, sophisticated ambience, impressive quality.

High-tech, functionality and design. Impressively and harmoniously combined in the interior. Horizontal interior architecture, exuding lightness and breadth. High-quality materials, sophisticated tactile qualities and precision workmanship. Plus headroom, shoulder room and legroom that ensure a wonderful sense of space.

*Images projected are not available in India.
Functional interior – comfortable environment, generously spacious.
Select the paint colour that best suits your personality. Secure in the knowledge that the quality will be superb, because your vehicle is painted not just once, but four times. So not only do you look radiant in your Audi, your car is also protected from environmental influences and wear. Ensuring that the car maintains a powerful look throughout its entire lifetime.
Powerful presence.

With Audi wheels, you can emphasise your own individual style and the character of your Audi A4. For peace of mind when out on the road: Audi wheels are subjected to special test procedures, undergo rigorous testing and are of superb quality.
More sophisticated.
With leather-leatherette upholstery.

You have a special place in your Audi. Exclusive comfort can be felt in the front and rear seats thanks to the high-quality materials and first-class workmanship. No matter which seat upholstery you choose, you’re sitting in the right place.

Accessories and features shown may not be part of the standard equipment or may not be offered in India.

Sport and design.

Accentuate your sporty side.

Not only can you visualize the driving dynamics of your Audi, you canalter them too. This is because its progressive design is primarily intended to reflect your personality, allowing you to add your personal touch, or even several personal touches. Examples could include high-quality add-on parts such as wheels and spoilers in striking carbon that create a dynamic look. In the next few pages, you will find even more sport and design equipment from Audi Genuine Accessories that impressively accentuate the sporty character of your Audi A4.

01 Exterior mirror covers in Carbon

Dynamic and sporty. The exterior mirror covers in high-quality carbon represent a visual highlight while also saving on weight.

02 Tailgate spoiler in carbon

For a sporty and particularly high-quality look at the rear of the vehicle - the tailgate spoiler in carbon for your order. The spoiler offers good aerodynamics and looks great too.
01 Add-on parts in carbon
Exterior mirror covers and tailgate spoiler in carbon for a strikingly sporty appearance.

02 Tailgate spoiler
For an even more dynamic look at the rear: the securely installed tailgate spoiler.

03 Rear diffuser
Creates an eye-catching look for the rear, lending the vehicle an even sportier line. Available in Matte Black.

04 Rear apron
The rear apron for a sporty impression at the rear of the vehicle. An excellent addition to the rear diffuser.
01 Front spoiler with blade
The front spoiler is standard equipment. The inserts and blade are Matt Black. Can be painted in a color from the pallet, including the body color of course, for an extra charge. Only available in conjunction with the larger engine.

02 Side sills
Stabilizes the dynamic body contour and give the vehicle an individual touch.

03 LED for entry area
For a bright entrance. Depending on the variant, either the quattro logo or the Audi rings are projected onto the ground by means of an LED light when the vehicle door is opened. Available in a one-part set for the driver and front passenger side or for the rear vehicle doors.

Requirement: the interior and exterior lighting package that is available as an option ex-works.
01 Mud flaps (not pictured)
Made from high-quality plastic. Prevents damage to paintwork and stops dirt building up in the area around the sills and rear apron of the vehicle. Available as a four-piece set for the front and/or rear of the vehicle.

02 Care products
Tailored to the high-quality materials used to construct your Audi. Suitable for numerous applications, either in the vehicle interior or for outer care, depending on the product.

03 Espresso mobile
With a pressure of 16 bar, the espresso mobile brings true espresso enjoyment, complete with authentic crema. The set includes 18 illy ESE pods, two break-proof espresso cups, a microfibre cloth and an elegant case. Connection via the cigarette lighter in the vehicle interior.

04 Premium textile floor mats and all-weather floor mats
The premium textile floor mats are tailored to the size of the floor in the Audi A4. Made from durable, thick velour and featuring a special coating on the underside. The made-to-measure all-weather floor mats offer reliable protection against heavy soiling. The floor mats are always secured using the points provided for this purpose in the floor of the vehicle. Featuring A4 lettering.

05 LED gooseneck reading lamp (not pictured)
A very bright light wherever you need it, thanks to the flexible silicone rubber neck. Ultimate stability in all positions. Connection via the cigarette lighter.
02  Business bag

More space for your business tools. The high-quality business bag offers you a storage volume of approx. 14 l – enough space for a laptop of up to 15 inches as well as the various other things you need for the office. Can be securely fastened to the rear seat bench or the front passenger seat using the three-point seat belt. Can also be used outside the vehicle as an attractive briefcase.

03  Seat back pocket

Additional storage capacity in a high-quality Audi design with various practical sections – for an even tidier interior. The pocket has a volume of approx. 11 litres and can be secured to the backrest of the front seats. The handles also enable it to be used outside the vehicle.

04  Rear seat bag

An organised storage space for the rear seat bench. With its various interior mesh pockets, additional storage compartments and total volume of approx. 27 l, the rear seat bag in high-quality design offers plenty of space. The seat bag can be secured either on the rear seat or the floor using the rear seat belt. Designed to be folded away using the seat belt. Can also be used as a briefcase.

05  Coat hanger

For jackets, coats and other items of clothing. Attaches to the front head rests. A perfect solution for those who travel regularly.
Explanatory notes

¹ The figure given was calculated using the specified measuring procedure (current version of UN-R 85).
² Unladen vehicle weight includes driver (75 kg) and fuel tank 90% full, calculated in accordance with the current version of reg. (EU) 1230/2012. Optional equipment may increase the car’s unladen weight and drag coefficient whereupon the possible payload limit and the top speed will be reduced accordingly.
³ Regulated.
